501c3 Non-Profit Organization

SPONSORSHIP OPPORTUNITIES AVAILABLE

In 2017 Village Life FL, Inc. was created to fill the educational void of African history and culture that is missing from our schools and local community. As a grassroots organization we use cultural education to instill a sense of both pride and unity in the youth that are involved in our various programs.

This approach has worked to boost the confidence, moral and self esteem of students thus helping to improve their performance in school as well as their interactions with parents and peers.

Village Life FL, Inc. volunteering to pack hygiene items for the less fortunate. This is one of the ways that we are able to support our high school students with community service hours
