

# T53 Production

## **Mission, Vision & Values**

### **Our Mission**

T53 Production mission is to inspire children to **dream**, **explore**, **think**, and **connect** through imaginative storytelling on film, Video and in the classroom.

We bring stories to life in a way that encourages children to **dream** about who they are and may become, to **explore** story from different perspectives, to **think** using inductive reasoning, and to **connect** to other people and ideas. Our programs encourage children to live in a complex world so that they can be healthier, smarter, and kinder.

### **Our Vision**

T53 Production aspires to transform young children into creative, artistic, curious, and compassionate individuals.

### **Our Values**

Originality

Imagination

Transformation

Community

## **We Believe That**

- Film and video has the power to illuminate, transform, and heal.
- Experiencing Film and video is essential for children to thrive.
- We have a responsibility to nurture, honor, and respect the imagination of our children.
- Film and video can create community by bringing together a diverse audience encompassing all ages and backgrounds.
- We have a responsibility to reach out to who may not otherwise have access to the unique kind of artistic and educational experiences that we provide.
- How we work with one another matters.
- Creating a working environment that encourages collaboration and creativity enables artists and staff to be fully self-expressive.
- Including staff in our ensemble keeps our work vital and ensures its continuity.
